SALVATION ARMY
WORKS ON MAUI

On the Claudine last evening were
some Salvation Army people, who left
for a ten days' trip on Maui to hold
meetings at various points on that Is-
land. They have formed themselves
into a brigade, and expect to conduct
a very interesting campaign. Among
the number were the Hutchinson sis-
ters, who have worked for a year or
more in Honolulu, but who have re-
cently relinquished the command of the
local corps, and will take charge of the
work in Hilo immediately upon the
completion of the Maui campaign. The
remainder of the brigade will return
here to continue work.

The captain says that in leaving
Honolulu a big piece of her heart re-
mains behind, as the work here has
been very dear to her. She wishes to
take this opportunity on behalf of her-
self and her lieutenants to say good
bye to the people of Honolulu, and
thank the friends of the army who by
sympathy, kindness and practical help
have assisted in making their stay in
Honolulu both pleasant and profitable.
We feel sure that they take with them
to Hilo the best wishes of the people of
this city, as well as those of the corps
with which they have been connected.
We welcome their successors, Adju-
tant and Mrs. Coe, and wish them
every success in the work here.

FALLING HAIR STOPPED.

Baldness Cured by Destroying the Par-
asite Germ That Causes It.

Baldness follows falling hair, falling
hair follows dandruff, and dandruff is
the result of a germ digging its way
into the scalp to the root of the hair,
where it saps the vitality of the hair.
To destroy that germ is to prevent as
well as cure dandruff, falling hair, and,
lastly, baldness. There is only one
Remedy known to do that. New-
bro's Herpicide, an entirely new, scien-
tific discovery. Wherever it has been
tried it has proven wonderfully suc-
cessful. It can't be otherwise, because
